

## CHRISTIAN OUTREACH OPPORTUNITIES ~ MAY

### Gifts in Kind of Another Kind

I have accepted a new role at Lowell Transitional Living Center. The shelter provides beds for up to 120 adults and serves three meals a day.

The needs for the Lowell shelter are very different than our shelter in Worcester (but I still help out there as well). As I indicated above, we are the area soup kitchen. Unfortunately we are compensated for only two meals through public funds. We are trying very hard to continue providing three. Two food items that are always needed (not available in the food bank) are salad dressing and jelly/jams.

So I again send out the appeal to drop these items in the silver barrel (near stairs to left of the parlor) for Gifts in Kind.

Thanks for you past support.

We continue our success in housing formerly homeless adults in Central Massachusetts (Worcester).

The critical items on our wish list:

1. Clean linens -single/double bed sheets, blankets, and towels,
2. Kitchen "gadgets" and place ware (forks particularly),

We graciously accept gently used items.

God Bless,
